Student Name _____

ID Number _____

How would you assess your last full semester academically?

Classes I attended regularly:	Classes in which I had absences:	# of absences:	Reason for absences:

How much time did you devote to your studies each day? Did you feel like this was enough? What challenges hindered your study time?

Did you visit with any of your professors to discuss your class performance?

Did you attend tutoring, study sessions, group meetings, etc. for your courses?

For those classes in which you performed well, what strategies did you use that are contributed to your success?

For those classes you did not perform as well in, what factors contributed to unsatisfactory performance?

Reflecting on your answers to the above questions, provide a plan for academic success for the current (or upcoming) semester.

Is there any additional information you would like us to consider as we review your appeal?

If permitted to enroll in the BGS degree program, I agree to adhere to the advice of my BGS academic counselor to progress toward a timely completion of my degree.
